101 Things to do

Biodiversity for Family

Biodiversity for Family

At Angsana Lang Co, we believe in creating long-term value and making a meaningful impact on destinations and communities, driving sustainable development through our Banyan Tree Group's core value of "Embracing the Environment, Empowering People".

By launching "Biodiversity for Family", we hope to raise awareness of respecting and preserving biodiversity, reconnect you and your loved ones with Mother Nature, and inspire our little guests to be mindful of the natural world around them.

Bird Watching

Sense the moment at Angsana Lang Co while walking around the lush garden, marvelling at the spectacular natural landscape, listening to the mesmerising melodies of nature and watching the wild bird species in their natural habitats.
